## Reflection and Discussion Questions

### Looking backward

- How has God been working in your life during the last week; how have you applied God's truth in your life? Share the specific situation / circumstance where you applied God's truth.

### Looking upward

- Ice Breaker Question – what is something you can eat everyday and not get tired of? What makes that so good?
- Read Numbers 11 again. Note that both the people and Moses complained to God.
  - What were the reasons for each complaint?
  - Why did God “blaze hotly” at the cries of the Israelites? (v. 18-20)
- Think about what your pursuing in life / your pursuits in life.
  - Where are you similar to the Israelites (where you have unfulfilled “cravings” that cause you to long for “life in Egypt”)?
  - What do you think is going on in your heart that makes you long for “life in Egypt”?
  - How should you address what's going on in your heart?
- Read Romans 8:28-32, Philippians 4:10-13, 1 Timothy 6:6-10, and Hebrews 13:5. How do these passages teach us about contentment in having what we need from God?
- What does it look like for you to apply this passage in your life? Spend time reflecting, sharing & praying with one another to God for enablement to apply what you learned.

### Looking forward

- Who can you share what you learned with? Do you have any non-Christian friends who need to hear the truth of this message? If you have children, how can you help your child to learn what you learned this week?
