III. Conclusion

Reflection and Discussion Questions

Looking backward

- How has God been working in your life during the last week; how have you applied last week's message in your life?
- Name a specific situation / circumstance where you applied the message.

Looking upward

- Please share with your Community Group a time you were misled by packaging or commercials?
- Balak attempted to use money to influence God's blessings on the Israelites, are there times where we thought our giving or serving can influence or change the way God loves us or others?
- Have you either personally or heard of an experience where someone misused God's authority for personal gain? How can we protect ourselves from falling into the same temptation?
- Are we building our relationship with God according to His Word or are we being selective in our obedience to God and His Word?
- How does God using a donkey as the instrument of his grace and mercy encourage you to encourage others who are going down a wrong path today?

Looking forward

- What does it look like for you to apply this passage in your life? Spend time reflecting, sharing & praying to God for him to enable you to apply the truth of the message.
- Who can you share what you learned with? If you have children, how can you help your child to learn what you learned this week?
- Is there someone that you can ask for accountability when making decisions in your life today?
- Is there someone outside of your comfort zone that you need to share the gospel with this week?
