Into the Promised Land (09) – Faithful to Deliver
Joshua 10

God's faithful redemption calls for our faithful response

I. Recognize God's faithfulness

II. Respond to God's faithfulness

Reflection and Discussion Questions

Looking backward

- How God has been working in your life during the last week; how have you applied last week's message in your life? Name a specific situation / circumstance where you applied the message.

Looking upward

- Ice Breaker: What is one thing that you took away from the message?

- Look at Joshua 10 again. How was God faithful to Gibeon & Israel?
  - Have you ever doubted God's faithfulness to you in your life? What makes it hard to keep believing in God's faithfulness?
  - How does knowing God's faithfulness to Gibeon & Israel help you in your life today?
  - Have you experienced God's faithfulness in your life? Share your experience in your group.

- In the message David talked about three questions to ask ourselves in responding to God's faithfulness: 1) what do God's love and mercy require of me? 2) what does God's word require of me? And 3) How can I pray?
  - Think about a situation that you are facing right now and ask these three questions. How would you answer these 3 questions?
  - What stops you from responding to God faithfully in this situation?

Looking forward

- What does it look like for you to apply the truth of this passage in your life? Spend time reflecting, sharing & praying to God for him to enable you to apply the truth of the message.

- Who can you share what you learned with? If you have children, how can you help your child to learn what you learned this week?
